## 4. Late Declaration Fee

### Late Declaration Fee (VAT 0%)

If a company submits the declaration form after the deadline, the company will be invoiced a late declaration fee per declaration form.

**The amount of the fee, if the declaration is submitted with a maximum of one month delay**

- 1 % of the recycling fees or SUP fee declared by the company.
- The fee is at least 20 € and a maximum of 5000 € per late declaration form.

If the declaration form is submitted **with a delay of over one month, but no more than two months delay from the deadline**, the above fee is doubled.

If the declaration form is submitted **with a delay of over two months from the deadline**, the fee is tripled.

If the reporting is **delayed with over three months** from the deadline for reporting, Rinki invoices, in addition to the late declaration fees, also an estimate of the EPR fees.

## 5. Billing

Payment term	30 days
Late payment interest	According to Interest Act

### Estimate-based invoicing

An estimate-based invoice is sent to customers who have not declared packaging data according to the terms of contract. The customer is still required to declare the actual packaging data, on the basis of which the estimate-based invoice will be corrected.
