| Class E, PVC/PVDC-packaging                | 0,3390             | 0,3200        |

\* Including conventional shopping bags and small bags.

\*\* Including biodegradable shopping bags and small bags.

# 1. Recycling fees, detailed declaration form

This price list is applicable also to the declaration form for cups sold empty to end-users (companies that report with the detailed declaration form)

| Metal packaging (€/kg, VAT 0 %)                                          |                    |               |
|--------------------------------------------------------------------------|--------------------|---------------|
| Class A                                                                  | Consumer packaging | B2B packaging |
| Single-material aluminium packaging                                      | 0,0290             | 0,0150        |
| Single-material tinplate packaging                                       |                    |               |
| Single-material steel packaging                                          |                    |               |
| Class B                                                                  |                    |               |
| Multi-material aluminium packaging (other materials in total max. 50 %)  | 0,0440             | 0,0190        |
| Multi-material tinplate packaging                                        |                    |               |
| Multi-material steel packaging (other materials in total max. 50 %)      |                    |               |
| Class C                                                                  |                    |               |
| Multi-material aluminium packaging (other materials in total over 50 %)* | 0,0630             | 0,0240        |
| Multi-material steel packaging (other materials in total over 50 %)*     |                    |               |

| Glass packaging (€/kg, VAT 0 %)                                          |                    |               |
|--------------------------------------------------------------------------|--------------------|---------------|
|                                                                          | Consumer packaging | B2B packaging |
| Class A, Conventional glass packaging                                    | 0,0760             | 0,0440        |
| Class B, Other glass packaging                                           | 0,0970             | 0,0640        |
| Wood packaging (€/kg, VAT 0 %)                                           |                    |               |
|                                                                          | Consumer packaging | B2B packaging |
| Class A, Stamped FIN, EUR, and EPAL pallets, rental pallets, cable reels |                    | 0,0016        |
| Class B, Other wooden pallets and other wooden packaging                 | 0,0021             | 0,0021        |

\* A packaging is a metal packaging if the share of metal accounts for most of the weight of the packaging materials.

## 2. Recycling fees, light declaration form

This price list is applicable also to the declaration form for cups sold empty to end-users (companies that report with the light declaration form)

| Recycling fees, light declaration form* (€/kg, VAT 0 %) |                    |               |
|---------------------------------------------------------|--------------------|---------------|
|                                                         | Consumer packaging | B2B packaging |
| Paper fibre packaging                                   | 0,1010             | 0,0039        |
| Plastic packaging                                       | 0,1790             | 0,0650        |
| Metal packaging                                         | 0,0300             | 0,0160        |
| Glass packaging                                         | 0,0760             | 0,0450        |
| Wood packaging                                          | 0,0021             | 0,0018        |

\* The light declaration form can be used by companies with a volume of packaging put on the market of less than 50 000 kg/pa.

## 3. SUP fees

| SUP fees* (VAT 0%)                                      |         |
|---------------------------------------------------------|---------|
|                                                         | €/kg    |
| Food containers made wholly or partly of rigid material | 0,19392 |
| Food packaging made of flexible material                | 0,90145 |
| Beverage containers                                     | 0,07581 |
| Filled cups or cups filled at point of sales            | 0,62012 |
| Cups sold empty to end users                            | 0,62012 |
| Light plastic carrier bags                              | 0,09739 |

\* Fees updated in the price list on 18.9.2026. The SUP price list applies to SUP fees for 2025, which will be invoiced during 2026. Read more about SUP [here](#).

## 4. Business service fee

| Business service fee (VAT 0 %)      |                      |
|-------------------------------------|----------------------|
| Business service fee (per contract) | 0,00088 €/kg         |
| Fee minimum                         | 44 €/contract/year   |
| Fee maximum                         | 3500 €/contract/year |

## 5. Late Declaration Fee

| Late Declaration Fee (VAT 0%)                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>If a company submits the declaration form after the deadline, the company will be invoiced a late declaration fee per declaration form.</p>                                                                                                                                                                                                                                                                                                                                    |
| <p><b>The amount of the fee, if the declaration is submitted with a maximum of one month delay</b></p> <ul style="list-style-type: none"><li>• 1 % of the recycling fees or SUP fee declared by the company.</li><li>• A company that reports data once a year: The fee is at least 20 € and a maximum of 5000 € per late declaration form.</li><li>• A company that reports data quarterly: The fee is at least 5 € and a maximum of 1250 € per late declaration form.</li></ul> |
| <p>If the declaration form is submitted <b>with a delay of over one month, but no more that two months delay from the deadline</b>, the above fee is doubled.</p>                                                                                                                                                                                                                                                                                                                 |
| <p>If the declaration form is submitted <b>with a delay of over two months from the deadline</b>, the fee is tripled.</p>                                                                                                                                                                                                                                                                                                                                                         |
| <p>If the reporting is <b>delayed with over three months</b> from the deadline for reporting, Rinki invoices, in addition to the late declaration fees, also an estimate of the EPR fees based on the packaging data available to Rinki.</p>                                                                                                                                                                                                                                      |

## 6. Registration fee\*

| Registration fee* (VAT 0 %)             |     |
|-----------------------------------------|-----|
| Registration fee, single contract       | 0 € |
|                                         |     |
| <i>Registration fee, joint contract</i> |     |
| Signatory company                       | 0 € |
| Associated company                      | 0 € |

\* Invoiced when new customer joins

## 7. Billing

|                       |                           |
|-----------------------|---------------------------|
| Payment term          | 30 days                   |
| Late payment interest | According to Interest Act |

### Estimate-based invoicing

An estimate-based invoice is sent to customers who have not declared packaging data according to the terms of contract. The customer is still required to declare the actual packaging data, on the basis of which the estimate-based invoice will be corrected.
